

Dear Sir/Madam

TURFGRASS MANAGEMENT SHORT COURSE 2010

The Cape Peninsula University of Technology is again pleased to announce the offering of its short course in Turfgrass Management.

As a result of the growing popularity of this course and in particular because of the interest in green keeping (or turfgrass management) as a result of the FIFA Soccer World Cup, four parallel courses will be offered this year, three in block-release format and one on the traditional three week-per-month course (the latter is held over the months June to September). The dates of the different courses is set in the attached brochure. The offering of these is totally dependent upon the number of applications received.

Enclosed together with the brochure is an application form should any member of your company or organisation wish to register for the course.

The course fee, which includes the textbook by AL Turgeon, "Turfgrass Management", study materials, tuition, assessment of candidates and certification of the successful ones is R5000.00. Should lunches, teas and transport to practical sessions be provided, the fee will be R6000.00 per participate. Closing dates for registration on each of the courses is two weeks prior to the onset of the particular course. Timeous enrolment is advised as the number of places on the number of places on the course is limited.

Please note that the Turfgrass Management course will be held at the Bellville Campus (see enclosed map).

Should you require any further information please contact:

Nomakwezi Cele (tel: 021: 460 3655), email: celen@cput.ac.za or Tembie Zake (tel: 021-460 3080), e-mail: zaket@cput.ac.za

Yours faithfully

**MIKE DU PLESSIS
