

EVERYTHING YOU NEED TO KNOW ABOUT BURSARIES

Need to know more about bursaries, scholarships and loans?

The 2008 Bursary Register is an essential handbook for learners and students who need financial assistance to complete their studies.

This 232 page publication, updated annually, contains a list of bursaries, scholarships and loans available in all fields of study in South Africa.

It also states who may apply and the closing dates for applications.

It offers the names and addresses of companies offering this type of financial aid and notes on how to apply for a bursary, scholarship or loan.

The book also contains updated names, addresses, telephone and fax numbers of all universities, universities of technology, further education training institutions and teacher's colleges of education.

It is a vital resource for every parent, high school learner, career guidance counsellor, library, college and university student.
