

STUDENT LOOKING FOR PRACTICAL TRAINING

I am a student at Cape Peninsula University of Technology currently Doing second level on ND Landscape technology and design.

I am seeking a good place where I may obtain quality practical training for a period of six months, where I may learn whilst applying elements and principles I have studied so far. The training may proceed as early as December. I do have my own transport.

Any good company along the parameters of Cape Peninsula. Through your Help (SALI) will be able to further my career with even more great interest Of the Green Industry.

Yours sincerely

S.K. Tyumbu
